

Presidential Speech Teleprompter

Hon'ble External Affairs Minister Shri S. Jaishankar
using Vaccue Speech Prompter

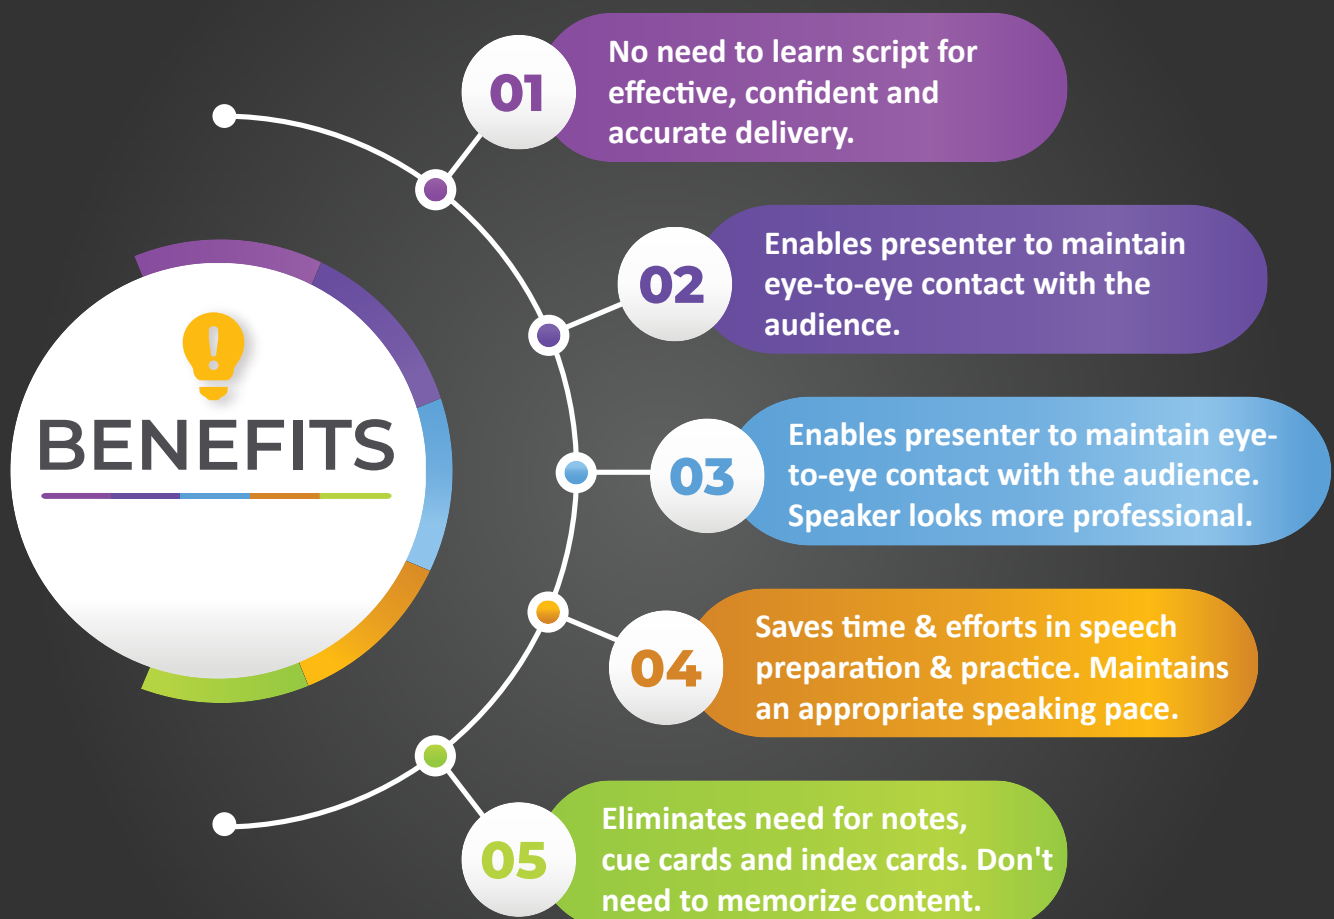

Model : VAC-SP301 (Vaccue-SP301)

World Class Presidential Teleprompter Deliver Your Speech Fluently & Confidently

Vaccue Presidential Teleprompter is designed for corporate conferences or other events where a speaker is addressing an audience. Speech prompter helps you to deliver your talk without carrying notes or paper with precision and confidence. Our speech prompters are ideal for live seminars, award ceremonies, conferences and presentations.

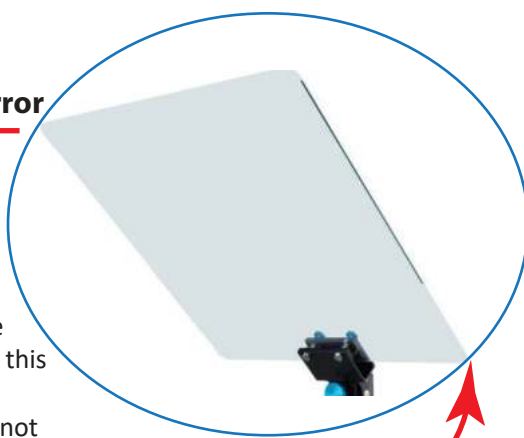

Beam Splitting Mirror

Professional 60:40/ 70:30 Beam Splitting Mirror

User reads the content on the mirror but audience can't see this

Glass is transparent, so it will not block the face of speaker

Secured Glass Holder

It holds glass tightly and protects it from scratches and fall

Presidential Teleprompter is designed for corporate conferences or other events where a speaker is addressing an audience. When erected, the prompting system resembles a mic stand with a piece of glass attached to the top of it. From the audience's perspective, the

Angle Calibrator

It helps to adjust the angle of glass as per speaker's convenience.

Height Adjustable

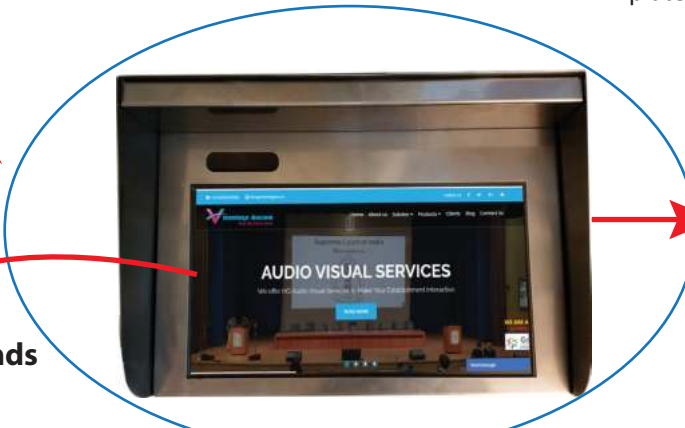

This system is fully height adjustable. It is compatible with all types of stages, platforms and environments.
